OTHER ATTENDEES: John Tindall-Gibson, Superintendent; Lori Miller, and Georgia Fortunato.

Motion to open meeting by St. Germain. Seconded by Zangari. All in favor. Motion carried.

Approval of Minutes:

Motion by St. Germain to approve August 15, 2005 Executive Session Minutes, August 15, 2005 Special Meeting Minutes, and August 22, 2005 Special Meeting Minutes. Seconded by Robson. All in favor. Motion carried.

Superintendent's Report:

Additional Budget Recommendations Pursuant to Pension Reform.

Tindall-Gibson said the hand out was developed to address the savings resulting from pension reform legislation that was recently passed. The total amount of savings to the district is about \$470,000. Most of the items on the sheet are prior requests and were cut during the budget process. Some items are in contingency reserve. The thinking being that if we don't need to spend that money, it's money that can be returned to the Town. He said the \$80,000 in utilities reflects an increase in costs. Professional development set aside is largely due to a change in legislation. Miller said the Worker's Comp number has been reduced. The bill was only \$9,000 higher than what our budgeted amount was.

Miller said Saylesville had originally asked for library books but they decided they would rather have professional development for an imbedded reading and writing institute. It is a 95 hour commitment, teachers are not paid, this is just for the consultants. Robson said we did not cut a reading teacher, we just did not add one.

Weiss asked Brunetti or Newman for any comments. The interim Administrative Assistant was discussed. Newman asked how it was being funded. Tindall-Gibson said it was being funded through professional development. Miller said there was \$19,000 put into the original budget, from other cuts that we made, and the \$11,000 is for the consultant.

Motion by Robson to approve. Seconded for discussion by St. Germain. He thanked the superintendent and the staff because he knows putting this list back together again, trying to find a balance, and stay within that amount of money, was not an easy job. All in favor. Motion carried.
